

## SpeedGleam<sup>™</sup> specifications

| Burnishing Models                 | SpeedGleam  | SpeedGleam Plus  |
|-----------------------------------|---|--|
| Transport mode                    | Pad assist forward motion   | Self propelled, variable speed, continuous 0.2 hp transaxle                |
| Main wheels                       | 8 in / 203 mm (2) Non-marking   |  |
| Casters                           | 3 in /76 mm (1) Non-marking   |  |
| Pad Motor                         | 3 hp, 2.24 kW   |  |
| Pad Motor Speed                   | 2000 rpm - nominal load / 2500 rpm - no load  |  |
| Pad pressure                      | Variable; 15-45 lb / 7-20 kg  |  |
| Pad driver                        | Flexible, full pad contact  |  |
| Productivity                      |   |  |
| Maximum coverage rate per hour    | 21,000 ft <sup>2</sup> /h / 1951 m <sup>2</sup> /h  |  |
| Burnish width                     | 20 in /508 mm   |  |
| Debris System                     |   |  |
| Dust Control                      |   | d for optimum air flow and dust control.<br>99.9% efficiency at 0.3 micron |
| Power System                      |   |  |
| Battery                           | (3) 12 V, 215 AH capacity batteries   |  |
| Battery run time per charge       | Up to 2.4 hr continuous at nominal load up to 3 hr at minimum load  |  |
| Charging unit description         | 36 V DC, 25 A   |  |
| Optional Accessories              |   |  |
| Optional accessories              | Flashing safety lights, safety key switch, auto stop button, parking brake, low battery shut-off, hour meter and power cut off while charging |  |
| Dimensions / Weight / Sound level |   |  |
| Length                            | 52 in /   | 1320 mm  |
| Width                             | 24 in / 610 mm  |  |
| Height                            | 40 in / 1020 mm   |  |
| Net weight w/ batteries           | 543 lb / 250 kg   |  |
| Sound level (operator's ear)      | 70 dBa  |  |
| System design                     | Patented, free float  | ting head for even gloss   |
| Warranty                          | 3 years/2500 hrs on parts and labor (excluding batteries).<br>10 years on rotationally-molded polyethylene parts.                             |  |
