26% MORE VALUE

ON WARRANTY WORK

Don't pay for unnecessary repairs

Tennant *True* Service customers capture an average of 26% more value from their warranties. Save on the cost of parts and labor!

PLANNED MAINTENANCE PAYS OFF

MAXIMIZE UPTIME

Only Tennant brings you over 400 factory-direct service representatives with unmatched expertise to keep your Tennant equipment at peak performance and make your staff more productive.

PROTECT YOUR BUDGET

Predictable service fees help you control maintenance costs. Fast response and proven experience reduce your risk of costly breakdowns, which cause downtime and last-minute machine rentals.

OPTIMIZE EQUIPMENT LIFE

We know Tennant equipment better than anyone. Get long-lasting performance and lower lifecycle costs by trusting your equipment service to Tennant *True* certified professionals with quality OEM parts.

TWO PLANS, TRUE PEACE OF MIND

Tennant *True*[®] GOLD SERVICE

Manage your budget and reduce unplanned costs with our All-Inclusive Maintenance Program, featuring coverage for planned maintenance, breakdowns, brushes and more. Gold Service delivers peace of mind through optimized uptime and equipment life.

Tennant *True*[®] SILVER SERVICE

Gain predictability and control over your budget with our Planned Maintenance Program, featuring coverage for routine maintenance and comprehensive inspections. Silver Service helps keep your machines running at top performance with quality OEM parts.
