

Are you getting REAL service value?

When every penny counts, make sure you are getting the most from every dollar.

TennantTrue™ (Factory-direct service)	vs. Third-party forklift servicer
Factory-trained and certified Tennant service reps with unmatched Tennant equipment knowledge and support	Less experience with Tennant equipment equals more time identifying issues — increasing your total cost
Direct access to Tennant machine requirements and your repair history through ServicelINK	Specialize in forklifts, not cleaning equipment
150-point machine checklist completed every time — identifies issues before they become major problems	Cover only the basics, repairing only when broken
Customizable service schedules and plans to match your cleaning program's needs	"One size fits all" — regardless of your needs

TennantTrue™ Service: Full protection through total service
