## Squeegees

- Exceptional liquid pick-up, designed and engineered specifically to fit Tennant machines.
- Less rework and low labor costs.
- Ideal for use in a variety of applications. Tennant offers three types of squeegee materials to best suit your needs.
  - Premium Linatex® and Linard® rubber exhibits outstanding strength and resistance to cutting and tearing.
  - Chemical-resistant urethane has a long service life; well suited for use with organic and petroleum-based oils.
  - Economy Gum Rubber is a cost-effective option for smooth, indoor floors, made of a combination of natural material and fillers.
