

T300 with Pro-Panel™

WALK-BEHIND FLOOR SCRUBBER

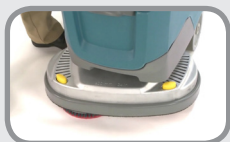

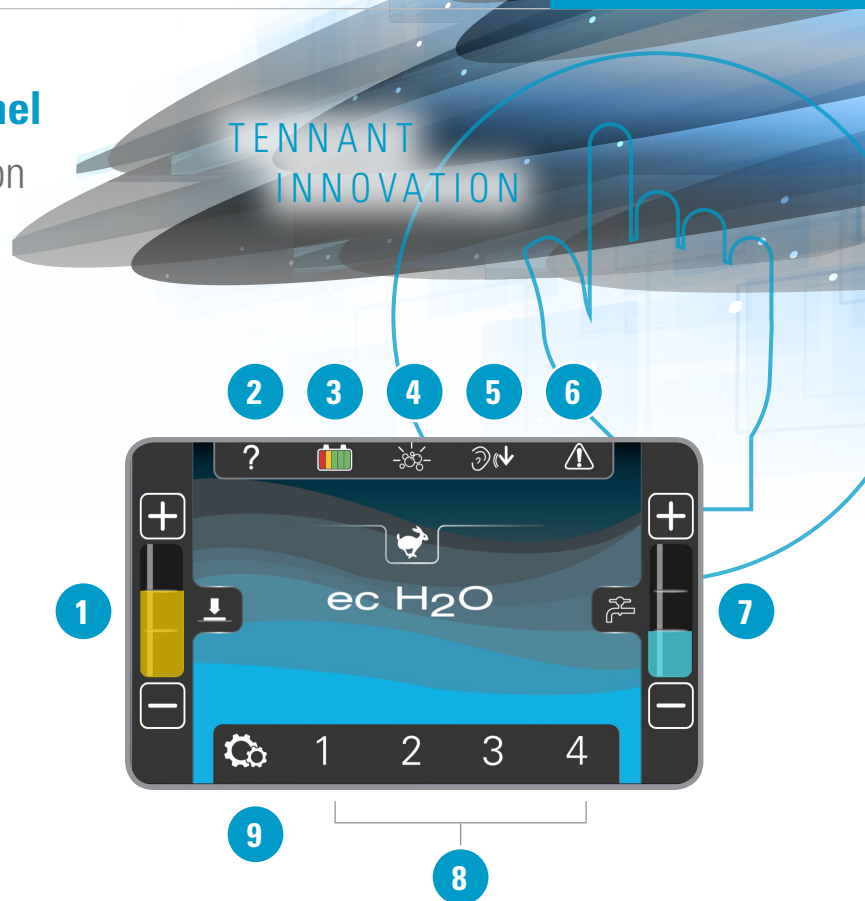

Now **Tennant T300 with the Pro-Panel** touch screen delivers the next generation of floor cleaning technology.

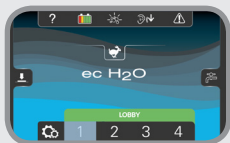

PRO-PANEL™ LCD TOUCH SCREEN

Takes cleaning to the next level with the first-of-its-kind control panel, making cleaning and operator training efficient and easy. Features include:

1. Down pressure settings
2. Help icon
3. Battery charge indicator
4. Severe Environment™ Switch
5. Quiet-Mode™ sound as low as 58 dBA
6. Warning light
7. Water flow setting
8. Zone Settings™ buttons
9. Machine Setting button

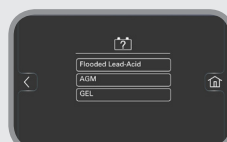

On-board, On-demand Videos – make operator training and machine maintenance easy

Zone Settings™ – allow supervisors to pre-configure the machine to clean individualized building areas

Operator ID – Gives the supervisor the ability to program the machine to the skill level of the operator

Charger Profile – Quickly and easily update the charger profile

Multiple Languages – 28 different language options help increase machine ease-of-use

Delivering high performance, consistent results for virtually any hard surface condition while lowering cleaning costs.
