Clean up your processes

For maximum efficiency, you need quick, thorough floor cleaning that can be integrated with factory processes. Our machines offer you flexibility, durability and easy maintenance, helping to reduce ownership costs. They also help you to meet Health and Safety requirements. At Tennant, we make it our business to know your business. You will see the difference in a cleaner, safer, healthier manufacturing environment.

Tailored for your premises

OUR **IN-DEPTH KNOWLEDGE OF THE MANUFACTURING SECTOR** MEANS WE CAN OFFER YOU BENEFITS THAT ARE TAILORED TO YOUR UNIQUE NEEDS.

Tennant Technologies

Tennant's technologies help you to enhance safety and productivity while reducing water and chemical usage.

IRIS® Fleet Manager

IRIS® Fleet Manager allows you to manage your fleet of machines across multiple sites. This intelligent command center delivers key performance metrics, empowering you with actionable insights to optimise fleet performance, improve cleaning efficiency, drive measurable results, and reduce cost-to-clean.

ec-H2O NanoClean™

Like the original ec-H2O[™], ec-H2O NanoClean[™] technology electrically converts water into an innovative cleaning solution that cleans effectively, saves money, and reduces environmental impact compared to daily floor cleaning chemicals*.

ec-H2O™

ec-H2O™ scrubbing technology improves productivity by scrubbing up to 3 times longer with a single tank. It uses less chemicals and packaging and up to 70% less water than conventional methods, thus reducing the environmental impact of your daily cleaning and maintenance activities. It also improves safety for both passers-by and operators.

More than clean, it's ReadySpace®

ReadySpace®

ReadySpace® rapid-drying carpet cleaning technology provides clean, fresh carpets in minutes to reduce room and carpet area closure times. It uses up to 80% less water to clean and leaves 90% less water in the carpet.

^{*}ec-H2O NanoClean™ technology is not suitable for all soils, including heavy concentrations of fats and oils.

Depending on the type of soil, conventional chemical cleaners may be required.

T7AMR

AUTONOMOUS RIDER SCRUBBER DRYER

The T7AMR is a robotic solution designed to work safely and efficiently alongside employees. Powered by BrainOS advanced vision based A.I. system this machine is able to avoid obstacles in a complex, real world environment while your employees focus on high-value tasks. Featuring a self-adjusting splash skirt to reduce scrub desk overspray, preset routes for daily cleaning and can operate in tight turning circles. The T7AMR is your newest team member!

M17

BATTERY RIDER SWEEPER-SCRUBBER

Reduce the need for multiple pass cleaning with the versatile M17 battery sweeper-scrubber. The M17 delivers exceptional sweeping and scrubbing performance, and it provides health and safety benefits. The M17 sweeper-scrubber is easy to operate and maintain, and quickly improves your facility's image.

power with the manoeuvrability of a ride-on machine. It's suitable for indoor and outdoor use and includes the SweepMax™ dust control system for better air quality

operation. The MaxPro™ sweeping technology that provides c achieves consistent cleaning results. Maintain indoor air qualit stage filtration system and fume-free battery operation. Exter levels with Eco-Mode™.

WD-27 / WD-62 / WD-72

V-CAN-16

DRY CANISTER VACUUM

The dry canister range is designed to be efficient and ergonomic, tailored to help users work without any extra strain. With quiet performance this machine does not distrupt work nearby. BLACK IS GREEN™ construction with up to 55% recycled plastics, designed to promote sustainable cleaning. The V-CAN-16 comes standard with multiple stage HEPA filtration, speed regulator to provide noise adjustment, full bad indicator, detachable cable and telescopic wand.

E5

CARPET EXTRACTOR

This deep-cleaning carpet extractor features easy pull-back operation and an ergonomic handle for maximum comfort. With a mere 69 dBA sound level, it provides powerful cleaning in small spaces and places that are hard to reach.

More than clean, it's ReadySpace®

WET-DRY VACUUMS

V-WD-27 / V-WD-62 / V-WD-72

Clean away dirt and water with Tennant Wet/Dry vacuums, and choose the right size and power level that you need. With advanced mechanical design, compact and lightweight machines ensure no loss of performance and can withstand up to 800 working hours. Also hosting quiet performance so your floors can be cleaned without disrupting work nearby. Each machine comes with SANIFILTER – Certified Antibacterial Treatment. This treatment is of the filters with silver ions (Ag+ ions) where it destroys bacteria's membrane cell, fungus, viruses, micro parasites and inhibits their proliferation. Sanifilter has good cleaning resistance, up to 5 washes at low temperature (T=40°C). Immediate and effective action on the collected material avoiding bacteria re-emission in the exhaust air. Antibacterial activity against both Staphylococcus Aureus and Klebsiella Pneumoniaes verified according to the JIS L 1902:2008 International Standard.

BATTERY RIDER SWEEPER-SCRUBBER

Reduce the need for multiple pass cleaning with the versatile M17 battery sweeper-scrubber. The M17 delivers exceptional sweeping and scrubbing performance, and it provides health and safety benefits. The M17 sweeper-scrubber is easy to operate and maintain, and quickly improves your facility's image.

The service you need wherever

you are

No matter how you use your equipment, we've got you covered. Highly skilled and factory trained Tennant service technicians are available to handle all your maintenance needs.

FACTORY DIRECT SERVICE

Our service team can help you decide which of our service agreements is best for your needs. Whether your top priority is maximum uptime, quick response or preventive maintenance, we have a package to suit you.

PREDICTABLE COST OF OWNERSHIP

Our comprehensive service offering is designed to protect your investment and lower the total cost of ownership. In addition, costs are predictable and can be perfectly budgeted.

TENNANT TRUE PARTS AND CONSUMABLES

You can expect top quality from our machines, and our parts and consumables are no different. As well as being durable, they are precisely designed to enhance results and improve your cleaning productivity. All Tennant parts and consumables are widely available, easy to order and delivered quickly.

PROFESSIONAL CUSTOMER SUPPORT

Our customer support team is available during business hours on weekdays and weekends to help you to order parts or schedule a service visit.

Factory Direct Service Coverage

Over **40** direct service technicians and a constantly growing indirect service network covering Sydney, Melbourne, Brisbane, Adelaide, Perth and Auckland. If you require information for service outside the metro zones, please contact us on **1800 226 843** or visit **www.tennantco.com.au**
